## **Transferable Skills Checklist**

Over the years, you have developed many skills from coursework, co-curricular activities, and your total life experiences. If you have researched topics and written reports or edited and presented papers for classes, you have used skills that are not limited to just one discipline but are transferable to many different occupations or disciplines. A prospective employer expects you to be able to apply the skills you have learned in college to the work environment. Use the following checklist to help you pinpoint some of your transferable skills.
